SPEAKER | FACILITATOR | EXPERT

DAVIDCAMPT@THEDIALOGUECOMPANY.COM

**THEDIALOGUECOMPANY.COM**

Dr. Campt teaches strategies for changing attitudes, behavior, and group culture through improved dialogue. His clients make new choices so that more people's insights are honored, relationships are improved, and collective goals are more effectively pursued. He is a dynamic and engaging speaker, facilitator, trainer, and strategist who helps ensure meetings and conferences meet objectives by enhancing conversations.

## ***Nationally renowned speaker and facilitator***

Whether your group is 30 or 3000, Dr. Campt can engage them to capture their collective wisdom to meet program goals and create needed insitutional change..

### **Recent Client List:**

- National Park Service
- W. K. Kellogg Foundation
- Maryland Public Defenders
- Princeton University
- American Planning Association
- Rotary Club of Washington, DC

Dr. Campt's expertise has been honed over the course of many significant dialogue projects. He has organized nationally televised meetings for the President of the United States, addressed 1,000 foundation executives about the importance of civic engagement, and facilitated conversations about race among small groups of Congress people, professors, and others.

## ***Expert in diversity, inclusion, and cross cultural dialogue***

Dr. Campt's wisdom about dialogue, his commitment to compassionate engagement, and his expertise in the areas of race, community-building, and personal empowerment come together in the form of dynamic, interactive workshops, key-notes, and plenary sessions that are engaging and inspiring. Dr. Campt can harness the power of dialogue to create innovative solutions for your group.

# TOPICAL EXPERTISE
